

## **Bowl for Kids fund-raiser is a good deal all around**

Published Thursday, February 8, 2007 4:14:36 PM Central Time

Our area's big Brothers Big Sisters organization has a fund-raising event set for later this month that's one of those good deals all the way around.

The 7th annual Bowl for Kids event gives you a chance to have some fun on the lanes while raising money for a good cause. And, best of all, individuals and teams can win some great prizes.

The bowling will take place Saturday, Feb. 24, at American Legion Lanes in Hurley. Before that, bowlers gather pledges from individuals and businesses, with the money going to fund Big Brothers Big Sisters projects.

The more money individuals or teams raise, the more chance they have to win some really nice prizes. For example, the team raising the most dollars overall will get a \$100 gift certificate to the restaurant of their choice.

In today's complicated world, Big Brothers Big Sisters volunteers provide a much-needed service -- mentoring and working with kids. Positive adult role models who volunteer to spend time and work with youngsters can make a big difference in a Little Brother's or Little Sister's life.

The volunteers, of course, give a priceless donation in this process -- some of their valuable time.

The Big Brothers Big Sisters concept has proved its worth through the years. The upcoming fund-raiser and fun-time event gives you a chance to be a part of this meaningful effort.
