Big Sisters bring joy

Above, Big Sister Eva Szyszkoski and Little Sister Gabby Kyllonen are shown here at the Air Force ROTC/Big Brothers Big Sisters Science Day Activity at Michigan Tech University. Their marshmallow/spaghetti tower successfully supported a tennis ball. Left, Big Sister Tiffany Tervo and Little Sister Micayla Kyllonen at the activity. Matches like theirs are supported by Big Brothers Big Sisters one fundraiser, Bowl For Kids, which is happening Saturday at Copper Bowl Lanes.
